EDUCATION

Sri Eshwar College of Engineering <i>B.E. Computer Science and Engineering — CGPA: 7.53 (upto 6th semester)</i>	2023 – 2027
Bharathi Vidhyalaya Matric Hr Sec School <i>HSC — 74%</i>	2021 – 2023
Bharathi Vidhyalaya Matric Hr Sec School <i>SSLC — PASS</i>	2020 – 2021

INTERNSHIPS

Flutter with Dart Intern	2025
- Completed an intensive Flutter and Dart internship focused on building scalable mobile applications using Provider and Firebase Firestore. - Developed a fully functional habit application with automated tracking, progress visualization, offline synchronization, and push notifications. - Strengthened skills in responsive UI development, backend integration, and clean modular application architecture.	

PROJECTS

SecureCare: Security-First Healthcare Management System [GitHub] <i>React.js, Firebase, Node.js</i>	2025
- Developed a security-first healthcare platform with encrypted medical records and secure access management. - Implemented role-based, condition-based, and identity-based access control with shift-based access. - Added dynamic watermarking and audit logging to improve security and accountability.	
Family Wallet [GitHub] <i>Flutter, Firebase</i>	2025
- Developed a Family Wallet application using Flutter and Firebase for secure parent-child account management. - Implemented expense tracking, allowance control, and real-time notifications for transparent money management.	
Placement Portal [GitHub] <i>Flutter, Firebase</i>	2026
- Developed a Placement Portal using Flutter and Firebase to streamline campus recruitment. - Implemented role-based authentication, job posting, application tracking, and real-time notifications.	
Recurrly [GitHub] <i>React Native, Expo, Supabase, Node.js</i>	2026
- Developed a smart subscription tracking application for monitoring recurring payments and upcoming renewals. - Designed a centralized dashboard for tracking billing details and subscription statuses using React Native and Expo.	

TECHNICAL SKILLS

Languages: C++, Dart, TypeScript, Javascript
Frameworks: Flutter, Node.js, React Native, Expo
Mobile App Development: Flutter Widgets & Layouts, React Native, REST API Integration
State Management: Provider, GetX
Backend & API: Firebase Authentication, Firestore, Firebase Storage
Database: Firebase, Supabase
Tools: VS Code, Android Studio, GitHub, Canva, Google Colab

ACHIEVEMENTS

LeetCode: Solved 140+ problems, ranked 580,604 globally, attended 6+ contests.
HackerRank: Solved 25+ problems and earned 1 certificate.
GeeksforGeeks: Solved 50+ problems.

CERTIFICATIONS

Java Programming Basics – Udemy, 2024
Mastering Data Structures & Algorithms using C and C++ – Udemy, 2024
SQL Basics – HackerRank, 2024
Flutter REST API Development – Udemy, 2025
Flutter and Dart: Developing iOS and Android Mobile Apps – Coursera, 2025
